

MEMORANDUM OF UNDERSTANDING
Between
Nukus Branch of Tashkent State Agrarian
University, Republic of Uzbekistan
And
Urmia University, I.R. IRAN

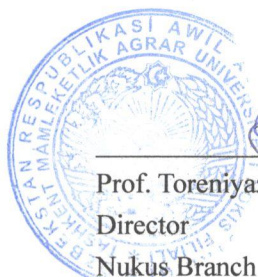

Nukus Branch of Tashkent State Agrarian University and Urmia University hereby agree to establish a formal linkage of amity with each other, which will develop further international academic exchange and educational cooperation on a reciprocal basis of respect for the independence and equal status of the two universities and in wider areas of interest.

Both universities agree:

1. To exchange students, academic staff and teaching/research resources
2. To receive visits from each other, including accepting students from the Nukus Branch of Tashkent State Agrarian University in Master and PhD courses in Urmia University
3. To organize international conferences and workshops jointly
4. To conduct research projects jointly, especially on Artemia, Aquaculture and Monitoring of the Salt Lakes in Uzbekistan
5. To mutually develop joint educational programmes in specific academic areas in Nukus Branch of Tashkent State Agrarian University
6. To engage in other activities that will better enhance mutual understanding and cooperation

Detailed cooperation activities/programmes to be conducted under this Memorandum shall be specified in separate annexes through further consultation between the two Universities. This memorandum is drawn up in English in two originals, respectively retained by each University, and shall remain in effect for five years from the date of signature if no written intent of termination by either University is presented six months prior to the date of expiry.
